

FOR IMMEDIATE RELEASE · GLOBAL TRAVEL DESK

New Data: Helicopter Tour Prices Revealed Globally

A 2026 pricing report covering Las Vegas, Dubai, New York, Sydney and beyond — with original analysis of entry-level, premium and luxury helicopter experiences.

Hi there,

I thought this might be of interest for your travel coverage.

We've just compiled global data on helicopter tour pricing and trends, covering destinations like **Las Vegas, Dubai, New York and Sydney**.

Some key insights:

- Entry-level helicopter tours can start **under \$100 in Las Vegas**.
- Premium experiences can exceed **\$2,000+** depending on location and duration.
- Demand for scenic and luxury helicopter flights is **increasing globally**.

Full data and breakdown: <https://tours.helicoptercharters.com>

If you'd like, I can also provide additional insights, custom data cuts or a quick summary tailored to your audience.

Best regards,

Amanda Jaye

KEY TAKEAWAYS

- Las Vegas is the world's most accessible helicopter tour market, with strip flights from **\$94**.
- Iceland and New Zealand command the highest entry prices, reflecting glacier and remote-terrain operating costs.
- Dubai leads the premium segment, where private and VIP experiences routinely cross **\$1,500 per seat**.
- Average premium tour pricing rose **~9% YoY** in 2025, driven by fuel costs and luxury demand.
